

# What's The Big Idea?

WA50AC

Valmont announces a noteworthy expansion of the Valmont Washington base cover family. The new **WA50AC** is **34% larger** than the next largest Valmont Washington model! You can now fill out your project with a seamless appearance from pedestrian scale lighting to traffic structures.

This durable, high-quality cast-aluminum base cover provides clean, crisp details and features a clamshell design for quick, easy assembly.

Now is a great time to think big! Visit [valmontliterature.com](http://valmontliterature.com) or call your Valmont sales manager for more details.
